The local club has received a cirthat the National Gallery Com-petition will be held the second week in April and it is probable that the local club will be represented. In the coming match with the Con-necticut State College Varsity team the shooting will be done on the 50foot range, each member shooting 20 shots prone. The fact that the club will shoot on the 50-foot and not the 75-foot range is reassuring to the members of the club, as the 75-foot range proved the undoing of the local club in their match with Meriden. Some of the members of the local club have shot against the college oys and realize that they have a difficult proposition before them. The college boys invaded Norwich three years ago and put up the highest umateur score ever shot at that time this state.

The team was captained by Charles Palmer, who is at the present a mem-per of the local club. They competed gainst the team captained by Louis Oriman. In the Meriden contest Tuesday
